

Beryl was a volunteer at Long Lane – a project very dear to her heart - and has very sadly just died. Beryl had planned to have the fundraising event advertised in the poster below and it is now her family's wish that we continue with this to celebrate her life and love of gardening. Family and friends are having a fundraising day in memory of Beryl and are offering you a fun afternoon of open gardens, cream teas, a tombola and light entertainment in All Saints' Drive and at The Old School House, Gigg Lane.
